### To Whom It May Concern,

On behalf of the Organizing Committee of the 45th International Symposium on Halogenated Persistent Organic Pollutants (Dioxin2025), I am pleased to formally invite [**Participant's Full Name**] to attend and participate in Dioxin2025, which will be held from November 1 to November 6, 2025, at the Titanic Deluxe Golf Belek Convention Center and Hotel in Antalya, Türkiye.

The Dioxin2025 symposium will bring together esteemed scientists, researchers, policymakers, industry experts, and environmental advocates from around the world. The event will feature scientific sessions, keynote lectures, panel discussions, and networking opportunities, all aimed at advancing knowledge and developing strategies to address challenges related to halogenated persistent organic pollutants (POPs).

Please note that this invitation is extended specifically for participation in Dioxin2025. It does not imply financial support, as participants are responsible for their own travel, accommodation, and other expenses unless otherwise specified.

We kindly ask the relevant authorities to assist [**Participant's Full Name**] in the processing of their visa application to facilitate their attendance at this important international scientific event.

We believe that your expertise and involvement would greatly enrich the event and we kindly invite you to be an attendee. Please consider this letter as an official invitation to facilitate obtaining a visa or other travel documents required to attend the congress. If an entry visa is required, please allow sufficient time for the application procedure.

Should you require any additional information, please do not hesitate to contact us at [dioxin2025@thorevents.com](mailto:dioxin2025@thorevents.com) or Prof. Perihan Binnur Kurt-Karakus, Chair of Dioxin 2025 symposium, at [perihan.kurt@btu.edu.tr](mailto:perihan.kurt@btu.edu.tr).

We look forward to your presence at Dioxin2025 in Antalya, Türkiye.

Best regards,

**Professor Perihan Binnur Kurt-Karakus, Ph.D.**

Chair, Dioxin2025
